Concluding Ceremony – 09.05.2025

The week concluded with a ceremony to honor and felicitate dedicated nursing staff, recognizing their valuable contribution to patient care and service excellence.

The celebration of **International Nurses Week 2025** at ESIC Medical College and Super Speciality Hospital was a meaningful and impactful initiative that highlighted the pivotal role of nurses in delivering quality healthcare. The various activities conducted throughout the week not only reinforced the values of compassion, service, and professionalism but also fostered a spirit of unity, learning, and professional engagement among the nursing fraternity.

This event served as a reminder of the legacy of **Florence Nightingale**, inspiring our nurses to continue striving for excellence in patient care. The active participation and support of the hospital administration, faculty, and all departments greatly contributed to the success of the programme.

We look forward to carrying this momentum forward through continued efforts in professional development, patient-centered care.
